

Initial Inquiry Form

Thank you for your interest in renting an Access 2 Place (A2P) home. A2P is a small community housing provider that only provides housing for people living with disability. This initial inquiry form helps us assess if you meet the basic A2P eligibility criteria and if your registration of interest can progress to a formal application. The formal application process can take significant time and can result in disappointment if applicants don't meet the basic eligibility criteria to begin with.

Please answer all of the following questions and return to A2P by email at info@access2place.com.au. If we think we can help you with housing, we will then send you a full application pack.
